Just so you know The PHOENIX SUNS will win this year. They had the best record i the nba this year and have already advanced to the next round. They are waiting for the winner of the rockets/mavericks game which is going to game 7. They have a better record now then thedid when charles barkley played for them.

Sorry hd, Phoenix has started the second series with the mavericks Steve Nash's old team. It should be a great series. The suns won teh first round in a record four straight they have never done that in a series or playoff before. Right Now at halftimne the suns are leading by a huge margin I will let you know the outcome.
