I'm not too cool about cut & paste or whatever I have to do so I am going to tell you which company she is modeling for and you'll be able to find her! OK? :laugh:

HOOTERS.com :ohmy: :P

Are you kidding me? YES! It's called:

torridproducts.com

When I checked it out so far I saw her in a dress (!) that I wouldn't even be buried in :ohmy: and a Halloween costume of a Maid! w/just the apron, I think!

WoW, y'all have to check it out...I wonder...is this what Starting Over did for this girl?? :ohmy: :unsure: :laugh:

Sorry, hd, sounds like a site I wouldn't visit, especially with the kids around. I'll have to take your word for it. What do her parents think, I wonder??

Thanks so much! I always loved PJ, and she even wrote an email back to me once! I checked out the other site too, and it wasn't as bad as the name suggested. I did cover up the computer screen, just in case!!
