## Susan, Season 1

Posted by Martswife - 2006/01/05 11:38

---

Has anyone heard an update on her? I think she was my favorite from that season. Wouldn't have minded being her roommate at all.

I'd seen Lynell and Hailey's as they are on many of SO2's and some of SO3's lists...maybe just not the top 8...

But that's the first time I'd seen Susan's!

Thanks Sway... Nice to hear she's doing well.
