
SO3 finale show

Posted by KPW1956 - 2006/01/25 11:53

Info on another site...indicated that the final show was taped about a week ago. (the post was dated 1/23 and it stated a week before)

I think Cassie 2 and son's reunion was either part of that somehow. Also interesting is the rumor that Sommer from SO2 was also a part of the finale somehow.

Maybe they will invite her back to finish her story. I think she was given the boot purely for drama.. Maybe she is invited back for some other reason. One can only speculate if indeed the rumor is true.

I pass these on as rumors only.

Maybe sommer's return is to talk to or help Christie who also had gastric bypass and Sommer is selfconcience of her body too who knows

That had occurred to me too. Maybe while working with Christie the show decided maybe they hadn't been fair to Sommer. I can't imagine them inviting her back to participate in something when she was literally thrown out of the SO2 house.

It always had appeared to me that the Sommer drama was overplayed and not explained well enough.

I'm glad that it seems that Sommer is on great terms with most of her former housemates from SO2 and several of this seasons.

I am sure she can identify with that not being comfortable in your skin feeling... Hopefully she has overcome that!

Wow....sounds like lots going on!!! Thanks for posting...I guess we'll just have to play the waiting game!!! :whistle:

Yeah, I wonder how they justify kicking Sommer out and leaving Lisa #1 in????? :blink:

I would be disappointed if they brought Sommer back.

I am also wondering why in the heck Lisa hasn't been kicked out by now! It is crazy, talk about rule breaking! :ohmy:

I don't know the breadth and depth of the rumor... It could be that she is bought back for closure of some sort... and maybe not as an actual HG.

Maybe some sort of Alumni function... But I would think she wouldn't be welcome to be part of the Alumni mentality if she was put out of the house for less than honorable reasons. Sommer appears to have been extremely good friends with Jennifer from so2.. Even though the show never edited their relationship in that light.

Yep,,,, we'll have to wait and see what kind of finale the show is going to air. It probably hasn't even been fully edited yet.. Hopefully more concrete spoilers will be forthcoming in the next month or 2.

You know, I really think it's possible that Sommer just realized she was the one at fault and might finally be owning up to it.

I think if she was breaking rules, what she really was upset about was being caught. Also, as someone who used to sneak around and tell "white lies", I really think I expected people to stick with me through all of it. It took a lot of harsh reality checks for me to learn to drop all that.

I have hoped Sommer would just see the light and realize the chance she had. It takes a lot more the "making yor bed and laying in it" to break a bad habit like that.

I like your attitude on all of that honeyspur!!!!

I do think Sommer needed to own up to her stuff.

I also think SO has been hypocritical with the game-playing as to who has to abide by rules and who doesn't.

But Sommer will be the stronger one for it to own up to her part even if SO never does acknowledge theirs! Kind of like the old "two wrongs don't make a right" saying.

They won't tell anyone if the show is going to be cancelled, just like they didn't tell anyone they were going to discontinue the message boards last season. And they knew around January then. They did minimal moderating to avoid suits, and getting into probs with Gov't.

If they tell people they are cancelled, lots will stop watching, ratings will drop, sponsors will pull out.

If they had been renewed, and they'd know that by now, they'd be shouting it from the roof tops.

^I dont know about that...as far as shouting from the rooftops that they would be renewed. I have been watching this show from the beginning and they have never shouted from the rooftop, advertised, mentioned on the show, etc that they were renewed. They just come back every year. I hope it comes back, I will be pissed if it doesn't.

I mean I can see them getting rid of the MB cause they were down right nasty! :woohoo:

I read other boards that deal with tv shows. The "experts" that write those columns say that the producers have until mid-May to say if the shows will be renewed or not.

"They" don't usually say anything about shows on the bubble for renewing because they don't want to cut viewership. It can also boost ratings if viewers think they favorite shows might be cancelled.

More than likely we will not hear anything about the show until then.
