It was so nice to see all the house friends there to give Josie a wonderful farewell party!

They all looked so great!!! and have really changed their lives around for the better.
A great example for Josie to follow :) :)

Chloe will be a very lucky child to have so many great women in her life. :) :) :)

It was really nice to see all of the recent ladies there but will be weird with them gone. Hopefully they will continue to make cameo appearances. And Miss Chloe has a lot of people that love her. What a nice thing to happen.

B) How Sweet It Is!

That was the Greatest SO Show yet, for me. :) I could just feel the vibes from all their emotions from watching them all for hours & hours of my life! :ohmy: To hear Dr. Stan put his "2Cents" in there was awesome for Josie! B)

And yes, "Our Child Star" is such a blessing for so many, not only SOGs but the viewers, too. :ohmy: :laugh:
Josie probably doesn't yet realize how many people out here care about that Little Princess! :laugh:

enough of the gushy stuff! :ohmy: :P

Never enough, hd! It was a precious show, and I was reminded of the precious times with my own babies! She has gotten a great start, and hopefully can grow up knowing all of her mom's new best friends. And, she can grow up without the public knowing her, as we won't know what she looks like older. Way to go, Chloe and Josie!! {heart}

It was great to see all the women once again. I hope they continue to support not only Josie and Chloe but each other for a very long time.

I loved how you could feel all the love at Josie's graduation. The words, tears and hugs we saw, i don't even think begin to express the depth of their relationship.

I know I cried the whole time and I didn't live the whole experience like they did. I can't imagine how they felt.

I loved all the clips we got to see, some that we had never seen before :) :) :).

Was this the first graduation he was at? I don't remember him at Sinae's.

B) (sniff) I still have the Farewell Show on tape (sniff) and may decide to keep it so I can (sniff) watch it when I get feeling lonely (sniff) for CHLOE!!!! wahhhhh!

Really, all kidding aside, I think Josie got the BEST of Both Worlds when she was able to be in BOTH Seasons of Starting Over! I believe she may finally realize that... :) (sniff)

But like has already been said, she & CHLOE will be terribly Missed! :ohmy:
