
Recaps

Posted by justonelife - 2006/04/12 19:47

Hello out there in SO world just a plea to those of you at home watching during the day. I can't always watch :blush: I know it's true! So would love if someone even a moderator would give us a daily rundown. Have gone to the SO show site it seems to be stuck on April 7th. Thanks bunches and happy viewing.
