## Iron Chef America

Did anyone see the show this past week. It was shown 3 times...and I caught a part of it everytime but didn't see the ending to see if the challenger or Bobby Flay won. The show's secret ingredient was 'peas' believe it or not!

The main reason I am curious, is that the challenger was the Wash. D.C. area winner. Bobby Flay is annoying... and I am hoping our local yokel won.. But I know more often than not.. the Iron Chef wins.. I did see tonights and the challenger beat Kat Cora.. I sure would have loved to be on the panel tonight. They both did some scrumptious looking dishes. I think the ingredient was King Crab!

KPW, Sorry I didn't see the show. I hope your guy won. I am not a Bobby Flay fan. He annoys me. He never seems to enjoy a dish that anyone else cooks. He is soooo obvious that he is not impressed with their special dish, at least that's how he has come across when I have seen him. He used to have a show in which he traveled around checking out the best food across the country.

Only thing is that he never acted as if liked the food.

No didn't see that one but I did see the one where the show's secret ingredient was tuna. I never watched the show b4 I was flipping threw the channels the other night and began watching it.

I'm not even sure when and what time it's on?

The only thing I can think of KPW is to go on the site see if you can find anything there... here's the link I found.

<http://www.nndb.com/tv/161/000085903/>

or

[http://www.foodnetwork.com/food/show\\_ia](http://www.foodnetwork.com/food/show_ia)

I hope they help!

Nadia,

---

Thanks for the try... I did check out those sites.. I just tried another search with the chef's name and iron chef together... and did get a good hit.

Apparently some sort of highlights site..

<http://www.topix.net/tv/iron-chef-america>

and then this too.. [http://www.dcist.com/archives/2006/07/10/dcs\\_chef\\_morou.php](http://www.dcist.com/archives/2006/07/10/dcs_chef_morou.php)

Seems like someone dubbed it the birdseye battle... (because of the peas!)

The second link suggests that Bobby Flay is widely disliked. But the author could be biased!

Thanks again anyway.. Guess I got my answer! Flay Won...

I really really like Cat Cora too! I like her demeanor.. Far cry from Flay's arrogant 'style'..

Cat comes across as the girl next door.

I didn't know there was a chinese lady...

But no, Cat isn't chinese... Not noticeably anyway..

She reminds me of Rachael Ray without the extra 'perk'...
