
Trump Fires sidekick..

Not that I even watch the Apprentice...but stumbled on this item..

The Donald fired the sidekick from the show... It's said in the article that the fame has gone to her head... (paraphrased)... so he 'fired her'... It's also noted that her replacement ...conveniently will be his daughter.. I don't know anything about Carolyn... or if she might have grounds for a slander suit! Seems rather brazen of Donald... I think he's a bit arrogant.. Maybe this is just a ploy to drum up new viewers.. stirring the pot so to speak and she wasn't really 'fired'. Maybe reassigned?

Any thoughts?

"She became a prima donna," an unnamed "insider," presumably really close to the Donald, told the newspaper. "She was giving speeches for \$25,000 and doing endorsements."

Holy Moly! giving speeches for 25,000 sheesh..... like a little much don't you think. :huh:

BTW, thanks for this news I wonder if his daughter will be sitting with him in the BR?

My husband and I watch The Apprentice.

Carolyn Kepcher was never my favorite person... she seemed to be mean for the h\$ll of it, and of course always agreed with ego manic... the Donald. My husband, who generally likes everyone does not like Carolyn. Bye, Bye Carolyn.

I'm looking forward to seeing Ivanka on the show. I like checking out her clothes. She appears to be very intelligent, and respectful to her dad so I would be surprised if she were not also a yes person to the Donald. LOL

My guess is that Ivanka will be in the BR if she is replacing Carolyn.

Why? WhatEVER do you mean, dahhhling???!!!

I personally will never give a speech for less than 50 thou myself, don'tcha know???!!! ;) ;) ;) :P :P :P

There were times I really enjoyed Carolyn, and times where I felt she really was just a "yes"-person to Donald. I watch The Apprentice, and I have really enjoyed Ivanka. It'll be interesting to watch this season!! As long as we have no more high school hi-jinks from supposedly well-bred hi-falutin' edumacated people!!!

Oooooooooooooops.....then we wouldn't have a reality show!!!!!!!!!! :woohoo: :woohoo: :woohoo: :woohoo: :woohoo:
