I have seen people posting about a show that's in the works called "Bad Girls". Where is the info on this show? Is BM producing it?

Yes... There is info in the casting info at their site.

You know the link... ;)!

I'll find the info later if it doesn't show up here. GTG! You know me.... I'll be back! :P

Oh Thanks I just found it the bottom of the casting page at <http://www.bunim-murray.com/>. I find their site really hard to use because of all the frames.

I just checked their website, but couldn't find info on it anymore. I know it was there a week or 2 ago..

I did find this link...explains the reasoning for the show... from the horse's mouth... Jonathan Murray. (see last paragraph)

<http://www.tvweek.com/news.cms?newsId=10103>

and another article talking about it... (my eyes are rolling!)

Wouldn't it be interesting if they wind up in the same SO house?

And how do they expect these women to reform their 'bad' ways..?

It will NEVER measure up to SO.
