I only saw the last half of last season but enjoyed it alot. I saw that the season premiere is next Wednesday night (the 20th)...

Anyone planning to watch?

I love the show and will be watching for sure!!!

Are you familiar with the guy and gal contestant who met on the show, both lost loads of weight and then ended up getting married?

Yes, Matt and Jill! As they were going through the season...who woulda thunk it? I remember one week Matt got irked when he didn't lose much.. and a couple weeks where he was very emotional... He definitely had a sensitive side.. They both were like butterflies coming out of a cocoon!
