I would like to take this time to acknowledge and thank member KPW1956 for her contributions to SOT. KPW1956. She keeps us up to dates on what's happening with the Women from Starting Over.

Thank you so much for all your contributions here at SOT!!

I only shared what I picked up satisfying my own curiosity!

Thank you for the safe forum to share and discuss. The women became extentions somewhat of our own family for a time. We cared about them, we criticized, we sought to understand. I admired each of them... and hope they are all doing well.

It's hard to believe SO is gone!

KPW, you are the queen of computer research. I do appreciate all of the info you have provided on the board since I have been a member. I never knew there was sooooo much to learn about SO. I loved every minute of it.

P.S. I'm having trouble with my PM and they wouldn't go through to you. I'm sure it will be cleared up soon.

I loved it too.

I wish I spent half as much time organizing my home as I do 'scouting!' :woohoo:

I seriously need a life don't I? :laugh: :laugh:
