I want to thank member Wish for all the time she puts into the SOT Chat Room. She is also very friendly and welcome to the new members who come into the chat room

Thank You Wish!!!

:) :woohoo:

Thank you Tara for posting your thoughts about Wish...I have been a bit under the weather for some time now...however, I have thoroughly enjoyed my chats with Wish in the chatroom. She is so friendly and welcoming and just a very sweet girl. Looking forward to chatting with her in the future and anyone else who happens to be in chat. Thank you Wish and thank you Tara for bringing this to our attention.
