
BB7 SPOILERS

Posted by tudin_girl - 2006/08/11 15:40

There have been a few people who have shown interest in spoilers for BB AS, but I have been worried that people who don't want to be spoiled will have a difficult time reading the regular BB thread so I started this one. If it shouldn't be here I know it will be taken care of and I won't post spoilers anymore.

Now a spoiler ;) As you know I posted that the HOH comp had to be redone lastnight due to faulty buzzer equipment. I don't think some of the houseguests were too happy about it ie Erika..lol, but regardless it was redone and now Janelle is HOH. Please don't shoot the messenger..lol I haven't checked the live feeds this morning but will post back when I get more info.

Re:BB7 SPOILERS

Posted by tudin_girl - 2006/08/11 21:57

I knew that would make some of your days...lol (NOT) There are several houseguests who are completely ticked off that she was even given the chance to play again since she was out of the comp on a wrong answer and not a slow/malfunctioning buzzer. However, I think if there was faulty buzzers BB really had no choice but to give ALL of them another chance or someone would be screaming there buzzer could have messed up before too (like before her wrong answer) and since this comp was a whoever gets buzzed in first...they really didn't have any choice I guess. That's BB's reasoning as far as I know. BTW Julie was even back to host the redo of the HOH.

When I checked earlier there wasn't much going on, besides some complaining, some very happy...and they were getting ready to have the food comp. Janelle's first thought for noms is Erika and Danielle. I should know who is nommed later and will post back.

=====

Re:BB7 SPOILERS

Posted by tudin_girl - 2006/08/11 23:43

Noms have been done and as far as I can tell it was Danielle and Erika nominated. Will confirm shortly.

Food comp consisted of houseguests preparing a creative dish using slop and other ingredients to be judged. Apparently they worked as a group on several different dishes that would earn them food for a particular day. The judges were past houseguests Marvin (S5), Jun (S4), and Nicole (S2). I can't confirm how many days they actually got food, but it looks like they are only stuck on slop one day.

That whole slop thing.....YUKKKKKKK!!!! :sick: :sick: :sick:

Yeah Grizz it should get really interesting...especially with that new twist thrown in the mix. I don't know if/how it will come into play this week on evictions, because it seems to me if I won it, and I wasn't on the block, I might not use it.

That slop has to be nasty...lol. I bet the houseguests are wishing they had never griped about having to eat PB&J in the previous seasons....lol

BTW: It is confirmed that Danielle and Erika have been nominated.

I want to thank tudin_girl for keeping us up-to-date with the LF's. ;) :)

to have heard that - CBS decided had to re-do the competition because of a malfunction ... I guess there is no point pulling my hair out. :(

And then to hear the most dreadful news: Janelle won HOH – I just about fell off my friggin chair! :angry: :angry:

I've gotten over all this just wanted you to know! LOL I'm now just sitting waiting patiently in front of the TV for BIG BROTHER to start on Sunday to see what other fiasco happened. :side: :whistle: :S :dry:

Why is all the fun happening off camera???? :blink: :blink: :(:angry:
:side: :whistle: :S :dry:

I read a rumor somewhere that Erika and Boogie have been dating for 6 months?? And Will knows about it? LIKE Say WHAT??? :huh:

Anybody know if this is true?
:huh: :huh: :huh: :huh: :huh:

Re:BB7 SPOILERS

Posted by tudin_girl - 2006/08/12 22:20

You're very welcome! :)

LOL @ all the good stuff happening off camera. Janelle getting HOH may not matter if she doesn't win the coup thing. I don't know who all have guessed yet except that Danielle did say she had already guessed...this was yesterday, so I don't think she waited around for more clues. From what they say she guessed Do Not Assume as the phrase.

I haven't been back to the feeds today, but they were given alcohol lastnight so no telling what went on, and I think they have probably done POV comp.

And I have also heard that rumor about Erika and Mike. I don't know if it's true or just them wanting to give the internet viewers something to talk about. :whistle: They were making out in bed lastnight though, kissing and stuff.

Back in a bit with an update.

Re:BB7 SPOILERS

Posted by tudin_girl - 2006/08/12 23:21

POV Winner = Danielle

Not sure what the comp consisted of but something to do with mechanical bull riding and eating sushi? I know it sounds strange but that's what I could pick up from the posters. Also there were past houseguests there to help out with the comp...so far I can get Hardy, Amy, Jack, and April.

I believe Howie has now made a guess to the phrase. They were given another clue and it was a big needle and spool of thread. Mike and Will are thinking "Ewe reap what you sew" haven't made a guess yet that I know of.

LOTS of talk about who to put up now in place of Danielle. I think Howie wants her to put up James...but it sounds like she is leaning towards putting up George to ensure that Erika is voted out?????

Ceremony should be held tomorrow and will post back as soon as I know.

Re:BB7 SPOILERS

Thank you, Thank you, Thank you tudin!!!! :)

Hmmm.....you know, I'm a bit confused on that whole coup thing. I'll just have to watch and see if it makes more sense later.

You know.....alcohol is always an interesting and drama-producing agent!!! No wonder things are happening off camera!!

So.....will Janelle EVER leave????????????????????

I didn't know that yall were talking about BB7...I'm addicted. I love the info yall are posting on here!!!!!! Now, with that said.....what the heck is going on with Janelle? I liked her last year...but...I've come to strongly dislike her this season. She is so twofaced...she's totally under Will's spell, and I can't wait for her to be evicted and then have Julie tell her that Will & Boogie were playing her all along!!! Stupid Stupid Janelle...she should have stuck with her original group...she's the one who first broke them up!!! Can't wait to check back to see all the updates...Thanks!!

Danielle won POV HURRAY!!! I really do like Danielle, I'm glad she's not on the chopping block.

Oh I'm with you HOOTERS I can't wait for Janelle to be voted out. I do have to say as much as I despise her...:sick: :sick: :sick: :sick: she is a good player. :S

Re:BB7 SPOILERS

I wonder how this coup will work. Say Janelle wins it...don't panic I don't know that she has..lol, but I wonder can you put a pov winner back up? And say Danielle wins it...can she nominate the HOH? We haven't gotten enough info on this thing and there are so many possibilities. Makes my head hurt thinking too hard..lol

Hooters I see what you are saying about Janelle...she seemed to have her game under better control last year...I don't know that I fault her for her lack of reality this year, but the fact that Will is SUCH a charmer and good liar...I'm not so sure I wouldn't be "under his spell" if I was in there locked up with him. She seems to not be trusting her instincts this year. I say this because before Kaysar was evicted they had a convo about James...now her gut was telling her that he was working with Danielle and they needed to be broke up, but Kaysar, being the kind trusting soul he is, told her that James could be trusted.

I'm counting how many houseguests are left and wondering if they won't have to do a 2 eviction week...not sure when the finale is though...will have to look that up.

They should do POV ceremony today so if I find out who is up I'll be back with the news...good or bad. lol ;)

Re:BB7 SPOILERS

Posted by tudin_girl - 2006/08/13 18:11

Well I don't have any big scoops but just for sheer gossip puposes some that went on lastnight in the house.

Apparently there was a foursome shower taking place. Erika, Mike, Will and Janelle all decided at some time they needed to take a shower together...with bathing suits on. LOL, but there was some major flirting going on with Will and Janelle.

Later Mike and Erika are shown in bed and he is pantless..lmao, live feed posters put a caption of him showing his butt :ohmy:

Danielle from the screen shots taken of her appeared to be very intoxicated. Erika went into diary room to try and get them more booze and offered to flash whoever was in there for it.

Early a.m. Janelle and Howie were talking about how furious they were that James threw the POV so Danielle could win. He admits to doing this, said he did a bad acting job. They talk of threatening to put him up because of it.

It's hard to keep track of all the backstabbing and lying going on in there with all the different convos. Will and Mike are doing an exceptional job at lying to everyone.

No talk of POV ceremony yet. Maybe it won't be done until tomorrow.

Re:BB7 SPOILERS

Posted by grizzlys4 - 2006/08/13 20:32

First of all.....NADIA.....cute new pic!!!! Love the gecko!!!

And tudin.....thanks for all the scoops. 4 in the shower.....just like Spring Break, eh????

Danielle drunk? That one actually surprised me after how much she's talked about her girls and being a mom. Not a good move on her part!!

Yeah.....I am really curious to see how this whole "coup" thing works out. Just a bit longer 'til tonite's show!!

Re:BB7 SPOILERS

Posted by tudin_girl - 2006/08/14 02:24

Well apparently the third clue has been given to the hg. It was the Grim Reaper.

Mike went and guessed "You reap what you sow", but not sure if anyone guessed that before him. We'll have to wait now until Thursday to find out who wins it and how it can be used. I wonder if they will make them decided yes or no to using it before they tell them what the power actually does? That would be scary for the holder of the power.

Not alot going on in the house tonight. I'm still trying to figure out why Janelle won't put up James after they know he threw the POV comp to Danielle..oh yeah that's right she still trusts him for the most part. She's so gullable.

Grizz..you would have had to see Danielle in her season to understand her IMO. I don't like her. I find her "act" this time around to be JUST that...an act. I don't buy it and every once in a while you can see, what I think is the true, Danielle coming out. But that's just me. She does have her fan base as do all the others...good and bad...lol

Re:BB7 SPOILERS

Posted by tudin_girl - 2006/08/14 18:11

POV ceremony held...Marcellus now up beside Erika.

Lastnight more booze was given and Erika and Mike ended up in HOH room doing some serious making out...with Erika as the aggressor. She also offered to flash again lastnight for more booze. Don't know if anything really happened.

Janelle had told Marcellus before ceremony that she was putting him up but that she had the votes to keep him safe and

vote Erika out. Hard to tell how the voting is going right now.

Howie walked around the backyard NAKED. HG played spin the bottle in the hot tub...Erika and Janelle kiss. Howie kissed Will again.

Season finale is supposed to be September 12, so it looks like they will almost have to do a couple of double eviction weeks..unless this "power" somehow speeds up the evictions..like possibly nominating a third person, and the two with the most votes leave. Guess we won't know until Thursday.

Do they actually show the naked people on the live feed or is it altered to disguise certain parts?

What kind of kissing is going on between the girls and between the guys? If Janelle really wants Erika voted out, she shouldn't be kissing her. That kind of behavior usually goes over well with men and they will vote to keep those women around longer.

Makes me wonder if she is being straight up with Marcellus.

Did any of you see Kaysar on Regis and Kelly???? It was soooooooo funny!!!!

Kaysar says, "Yeah, I trusted James, but he stabbed us in the back..."

and Regis finishes his sentence by saying, "..before YOU guys could stab HIM in the back!" and then chuckles!!!

It was EXACTLY what I would've said!!! I always love how they each say they play with honesty and "integrity" but after all, it IS just a game.....that is, unless THEY'VE been ousted!!!!!! :woohoo: :woohoo: :woohoo: :woohoo: :woohoo: :woohoo:

Re:BB7 SPOILERS

Posted by tudin_girl - 2006/08/15 19:24

It appeared to be just a simple kiss between Erika and Janelle. Not a make out kiss..lol. I don't have the live feeds myself, but the people who post the feeds for us sometimes get screen shots of what's going on so they captured on of the kiss.

And yes they do show them naked...lol. I have unfortunately been witness to Mikes butt and Howies butt.

Voting will be done live again so it could all change right up until the time to vote.

I don't think Kaysar meant he was going to stab James in the back, but that when it got down to the four of them, they would have to start turning each other out. Afterall there can only be ONE winner.

Re:BB7 SPOILERS

Posted by grizzlys4 - 2006/08/15 23:46

Yeah, I just thought it was funny that they all want to say they're honest, and such wonderful friends but truly there IS only one winner, and they are there for the money. I get a big kick out of it and it cracks me up that none of the people that go on these reality shows want to admit that!!!!

=====

Re:BB7 SPOILERS

Posted by Hooters - 2006/08/16 00:40

Janelle is the one Kaysar should be pissed at, and himself. They should have put ChillTown up from the get go, then the game should have been theirs. Tonight, Janelle completely topped the cake. She's going off on James because he didn't eliminate Danielle, but then, neither did Will...hmmm..funny how that works that way. She's bad mouthed everyone in the house, including Howie, who worships her, made up lies, then gets upset when things don't go her way. I adored her last year, so I really can't believe how much I've come to dispise her this season. I can't wait for her to finally be out of the house and to see the tapes of the show and see how Will & Boogie are playing her for the idiot fool she is!!!! Now that I've gotten that off my chest...I'm going to bed!!!

=====

Re:BB7 SPOILERS

Posted by Debby - 2006/08/16 14:49

Hooters, I agree with much of what you say, however, Janelle is soooooo lucky, I don't believe she can be ousted. She has sucked the luck out of everyone. I don't think they can get her out no matter what they do. She may be bound to win the game, God Forbid. It makes me wonder if she had some kind of a connection with someone on the show. Coming back from losing HOH and then winning the new HOH because of that buzzer malfunction was a travesty. If she gets put up for elimination, she's bound to win POV. I don't know how much more I can take of her.

Will, Boogie and Marcellus need to put up or shut up about getting Janelle out of the house. They said they want her gone but I don't believe it.

I think most of them may vote Erika out this time.(Is Boogie having sex with Erika?) Whose side is Erika on anyway? Wasn't the shower scene filmed AFTER Janelle nominated her for eviction?

One last question. I have watched the show off and on since the beginning, but, I missed something. Where did the nick names come from, such as Chill Town, etc.?

=====

Re:BB7 SPOILERS

Posted by Nick cole - 2006/08/16 15:27

All of the alliances come up with their own names and I believe that Will and Boogie came up with "Chill Town" because not only are they cool, but all they did was kick back and Chill and let everyone else in their season do the work, while they sat back and watched the "s*it hit the fan.

Re:BB7 SPOILERS

Posted by tudin_girl - 2006/08/17 00:22

OH the plotting. I don't think I can take it anymore! :blink:

I don't know if Danielle was really drunk or not lastnight, but they say she was digging around in the trash for a beer that someone didn't finish and she was begging production for one more beer and she would go to bed. Some thought she could have been acting, others think she is an alcoholic..lol

Erika and her "staged" a fight, because now Janelle has had Erika up in the HOH room (courtesy of mike and will who convinced her to make a deal with erika and vote out marcellus) and Erika promised she would work with Janelle and not come after her. Erika told her she (E) was all alone in the house so she didn't have to worry about her.

The talk of voting out has gone back and forth between M and E at least 50 times and I still don't think they have come to a conclusion. I guess Mike let it slip to James? that him and Erika knew each other before the house, so James is up in arms now telling Howie and Janelle they have to get rid of Erika because she is with Mike. Some talk of Danielle, James, Janelle, and Howie being in ANOTHER alliance to get out CT and George. :ohmy:

Last I looked though Will was in HOH with Janelle and working his "magic" on her again. I gotta say it, I have ALWAYS loved Will but I NEVER thought he would make it this far, since everyone KNOWS how he is, but if they are dumb enough to continue to let him stay in this game I hope he wins the whole dang thing.:lol:

Re:BB7 SPOILERS

That is exactly what I said after the first few shows. For whatever reason, bb6 has been terrified of Will from the get go. I wanted Kaysar or Janelle to win at first, I thought they were the good guys, and I guess Kaysar still is, but, Janelle has proven herself to be the biggest "floater" of them all. I do hope that Will wins...he's lied, cheated, stolen....but then goes into the DR and tells on himself..that's his game. Why would they want to keep him in the game after he's already won this thing once?? They all deserve what happens to them now.....GO WILL...GO WILL...GO WILL!!!!

=====

Re:BB7 SPOILERS

Posted by Debby - 2006/08/17 11:36

Will does amuse me but as far as him being sexy or attractive...I don't get it. Maybe it's the kind of thing you have to see in person.

It doesn't seem that Will would need the money that much. He's a doctor and he's won once, so, I think he should set up a secret alliance to help someone else to win, such as George or Danielle because they have kids and seem to be hardworking people. This money could really help with college cost and make a real difference in those people's life.

Why do they want George out so bad? Most of the time you don't even know he's on the show. I would think they forget he's there.

He's not good at winning HOH or POV, although he did win POV the last time he was up, but, I think that was a fluke. If he's such a poor player, why do they want him out so bad?

I'm a Janelle fan, but I must say I'm disappointed in her game this season. It seems that she has stopped thinking for herself, and is allowing others to manipulate her game. She is extremely bright, however, she is not acting on her hunches. Will is playing an exceptional game... he is a master manipulator... If Janelle gets eliminated she will feel just as betrayed as Kaysar re James. James was a snake last year... he is still a snake. Boo... James.

Mazzy, as you can see from my post, I am not a Janelle fan either, however, I don't think you have anything to worry about. She is soooo lucky, she doesn't need to be smart. I'm not sure she could get evicted even if she tried. I'm serious.

Does she have an inside connection with the show's producers or something? I can't see her going home. I think she may win it all because she has now taken everyone's luck. She is the queen of that show and I don't think anyone there has the power to knock her down no matter how cocky Will or the guys may be, they cannot beat her at most competitions.

Re:BB7 SPOILERS

keeps winning power of veto... her days are seriously numbered. These wimps will probably back door her. Oh well.

POV comp being held right now. Playing are George, Erika, James, Will, Howie, and Danielle.

George has had pow wows in his HOH room with Howie and Janelle, and then with Mike. Amazing how popular this guy became!! He has assured Janelle and Howie he does not want to go after them, his target as of this minute per his talk with Mike is Danielle. He feels she lied to him and tried to set him up by telling him the voting had changed when they were deciding to vote out Erika or Mar.

Just a heads up, last year when we had a double eviction week the live feeds were blacked out. I can't remember for how long but it seemed like it was over the weekend. Will post back if the feeds are gone.

Re:BB7 SPOILERS

James has the POV....hopefully CG will put up that biotch Janelle. She talked so much s--t about George, saying he's a liar and swore on his kids lives...when he didn't. She & Howie got to him first, but then the rest of the house went after him...I think they may be "persuading" him to come to their way of thinking....who knows in this game.....

Some are thinking that if they take Janelle to the final two they will win over her.

As far as Mike using his new "power" on anyone other than himself or Will would surprise me. Will and Mike are playing the game in the house as well as shoring up good will points from all hgs if it comes to that... I don't think they want to antagonize anyone re future votes. Both are playing great game... very smart cookies. They have dominated this game so far. It's amazing how they have been able to manipulate everyone with their wit... charm, etc.

Appreciate all updates. Thanks tudin_girl.

I feel sorry for Howie, but if he'd actually played the game and not let Janelle call ALL the shots, he might just still be playing. She chose Will over him and the rest of BB6 from the beginning...all because she wanted in his pants. She made fun of him, lied to him and basically made him look like a fool. I'm so ready for the self proclaimed blonde bombshell to go.

Oh, and why would she have made the deal with CG to put up Howie?? She should know that you can't trust anyone in this game. She being the leader of the lies?? She's blaming everyone but the main one...her self.

Mike nominates Janelle and James.

POV comp held and all but George played.

Janelle wins POV.

James has gone to diary room to complain she cheated.

Even when she shouldn't have? There are alot that are going with that conspiracy theory...James for sure...lmao.

You didn't see last season did you? Janelle was/is quite a competitor. She doesn't seem to really have the strategics for this game, but when it comes to the comps she definitely has it.

James was/is on the verge of losing it...he even requested to speak with the shrink...lol..poor guy...NOT. He is definitely reaping what he sowed.

I'm not for 100%, but Mike's power is useless now. He only had it for 3 evictions. The first being Thursday night, the second being Sunday night, and I don't think he can overthrow himself.

Do you have a pick for winner yet? I think I am pulling for Will to win the whole thing. The guy is DEFINITELY an allstar and can do it without winning a single comp! I don't think he won a comp in his season either...lmao.

I hope Will or Danielle win it all....As long as it's not Janelle, I'll be happy with anyone really. I have to say that it does seem that BB wants Janelle to win. I'm not talking bout this last POV, but the HOH redo. The tech problems did not involve her. She was out because of a wrong answer before the problems started. I loved her last year....this year I can't stand her. She's a bad sport & cries when things don't go her way, but when she wins, she rubs it in the others faces. She's so two faced. Too bad she's not going home this week.

Ohhhhhhh, I was just injecting silliness with the conspiracy theory thing!!!! I cracked myself up.....not necessarily a sign that it was a great joke, though, eh?????? :woohoo: :woohoo: :woohoo:

Hmmmmmmmmmm.....a winner.....yeah, I have to say, that although I didn't like Danielle or Will in the very first episode (and I've never watched BB before this so I had noooooo idea what these people were like!!) that I think both of them are playing the game and playing others very well!!!!

After all, it's about outsmarting everyone to win a million bucks....not about making loyal best friends!!!!

Oh Grizz I think the conspiracy theory is hilarious...lol, you should hear some people going on about it. I don't know, it could be true. You have good picks for winner...I don't like Danielle, never have, but if she does win, well she deserves it I guess....lmao. I love Will so I'd be happier with him winning.

And I agree with you 100%, it's about the money!

;)

Hooters I definitely see what you are saying about Janelle and her being in the redo of the HOH...I can see CBS's point too though. If there were faulty buttons they really had no choice but to let EVERYONE compete so nobody could claim later that they were robbed.

I'm going to check the feeds now and see if James is still in a meltdown. :laugh: :laugh: :laugh:

Looks like George is up beside James after POV ceremony.

I don't know if I said this or not, but lastnight? Mike and Will talked to George in the HOH and said we are going to put you up, you act worried, but don't worry we really want James out.

If I was George I would worry...lmao. I would do the exact opposite of whatever those two told me.

I do think they really want James out though...they're worried about James/Danielle alliance.

We'll see.

It makes sense to me to drop James now... he's an extremely strong competitor. Hoping James will be gone this week.

I know it's not popular to cheer Janelle on, but can't help myself... what a girl! Go Janelle.

Janelle is my first choice... Will is next. Sorry for Howie's poor exit... he appeared truly hurt. Mike is smark... he can be really funny, but he has a really mean sneaky streak.

Re:BB7 SPOILERS

James is still reeling over Janelle beating him at POV. Lastnight he was going on about wanting to see the dr, and he wanted to look at his contract to see if he could leave and still have his money. I wish I could offer James some cheese with that "wine".

I could see a Janelle/Will/Mike final three right now. Danielle/Erika isn't going to know what hit her when they betray her. Will said he would like Mike and Janelle in final two. They've been working some deal about a money split, which I think is against their contracts.

They locked them out tonight so they could take out the big table and put in a smaller one. I wonder when they'll start losing beds? It's usually about this time they start taking beds or closing off rooms.

Will wanted Janelle to go to Erika and kind of be nice to her and tell her that she (J) was going after CT, but Janelle said she couldn't do it because she couldn't act like she likes Erika when she doesn't.

Any bets on how James will leave? Will he be as graceful as Howie? I like Howie, but I think he should have just left. Mike didn't help the situation, but Howie should have been the bigger person. Mike did say later he was glad James stepped in because he was afraid Howie would have hurt him...lmao! Ya think Mike? He would have wiped up the floor with your a\$\$.

Re:BB7 SPOILERS

Posted by tudin_girl - 2006/08/23 22:59

Watching lastnight's show James should feel indebted to CBS for their kind editing job. It was WAAAAY worse than what they showed...lol

I've never laughed so hard at a BB moment as I did lastnight and Will's diary room about James and his POV loss.

Not alot happened in there lastnight. Deals and side deals, and more side deals being made...with everybody.

Erika and Mike had a major make out session in the HOH bathtub...she had on a swim suit.... I assume he had on some shorts.

Danielle was crying alot this morning...I don't know if that is because she realizes they have to vote out James this week.

Janelle and George supposedly have a secret alliance...but she also appears to have one with Will. There was supposed to be some sort of "agreement" between Danielle and Janelle not to go after each other at the moment if one wins HOH.

I expected/expect maybe Janelle to go after Will and Mike if she gets HOH...she may not, but I think she could be pretending to go along with Will and Mike for her safety, but I find it hard to believe she is just willing to forgive and forget

Howie leaving like he did...and after still reeling from their lies about not voting out Marcellus. I guess time will tell though. It would definitely shock the heck out of Will and Mike if her and Danielle and George teamed up and got all of them out of there.

Re:BB7 SPOILERS

I think this may be the best BB season...

It seems that everyone has a just in case secret alliance with just about everyone.

Will is playing an exceptional game... he is playing everyone, and everyone seems to like him. He has no loyalty to anyone but himself and possibly Mike. What a guy. This is one major master manipulator.

Looking forward to tonight's show... expecting to see James leave, however, I learning to EXPECT THE UNEXPECTED. LOL

What in the world is wrong with Howie!! What a jerk he turned out to be. He was a good player on BB6 but this time he is a pain! I guess the TV bug has bitten him and he thinks he's so famous! Poor Marcellus having to put up with him until someone else arrives. I'd lock myself in my room too if I had to deal with Howie one to one!

Tune in Sunday to find out!!!

Erika nominated George and Janelle. Surprise surprise..lol

During the food comp they won some luxuries too. I know they got a trampoline...and Christmas in August which I guess they get next week? Looked like food most days, and from what the feeds say the comp sounded hilarious. They blocked it out though.

James did a great job leaving lastnight. Sometime the day before his eviction he realized at times he was taking the game way too seriously, so I was very relieved to see him exit in style.

Howie, oh Howie...I have always liked Howie in an annoying little brother kind of way, but lastnight I was not pleased with his behavior in the jury house. It seemed scripted to me, the exchange between him and Marcellus at the end though.

Will was/is working on Erika to put up Danielle if someone uses the POV....we'll see just how good he is this week for sure if he can convince her to do that, leaving Janelle in the house yet again..lol With it down to 6 all get to play for POV...so at least everyone gets a fair shot.

Will, Will, Will... how he has the nerve to suggest putting up Danielle... guess Erika thinks she has an alliance with him. Oh well. He has such a nice way of stabbing one in the back.

Howie, Howie, Howie... I like Howie, however, he needs a muzzle for his mouth again this season... when he loses it... he really loses it. I like Marcellas less that Howie... so in the Jury House it will be fun to see Marcellas go nuts. LOL

Re:BB7 SPOILERS

Posted by tudin_girl - 2006/08/27 16:46

The site is down right now, so I'm not sure if ceremony has been done yet. I can imagine when people started finding out Janelle won POV it started going nuts...lol

Actually Mike thinks Danielle needs to go too...lol With these two it is so hard to tell when they are lying and to whom they are lying to. I believe Will wants to take Janelle to final 3. I think Mike would rather have Erika in final 3 with him and Will, but he's not opposed to Janelle either. I don't think they were ever truly aligned with Danielle or James...just a way to get them further down the road. I think Danielle sees that now, after James evcition, and wants them OUT. She is really freaking at the possibility of going up.

What I don't understand is why these 3 girls don't get it together and get Mike or Will out this week, and then the other one. They could rule this game right now if they would work together. I don't however see Erika leaving Mike. He doesn't appear to be as serious about her, I mean during their "makeout" sessions she is always the aggresor, he's the one who puts the brakes on. Now it could be that he's not interested in her.....or and I hope this is the one, that he doesn't want to cross that line of sleeping with her then stabbing her in the back, because he does plan on stabbing her in the back according to his talks with Will.

It's gonna be a crazy week that's for sure! :lol:

=====

Re:BB7 SPOILERS

Posted by tudin_girl - 2006/08/27 23:52

I guess ceremony won't be until tomorrow unless I missed it somewhere. I get confused on the days they do stuff.

BUT.. Erika did tell Danielle earlier that she was going to have to put her up. E told D that she couldn't win against her in the end and hope she understood it's just a game..lol. Danielle wasn't happy, but she didn't have a meltdown.....yet.

I think that is one thing about having so many of the votes live this year...they would normally vote on Wed if it wasn't done live, and after the votes were cast the two nominees could really stir up some trouble in there if they chose to do so. With the votes being live they kind of keep their mouths shut hoping even up until the last minute they might not get evicted.

If anyone missed the show just holler at me and I can post a summary.

Re:BB7 SPOILERS

Posted by tudin_girl - 2006/08/28 10:03

Lastnight Danielle got some alcohol in her and her and George were in the hot tub when she started ranting about Erika. Mike was apparently in bed, he was in some kind of "mood" lastnight...Will and Janelle were in bed, not together, and Erika was somewhere. Well during Danielle's rant Erika came outside to smoke and somehow her and Erika started yelling at each other. Danielle was PO'd about Erika wanting to put her up, saying she had her back and it would have been them in the final two (only since she decided she was no longer with LOD after they voted James out) Some brief comments from Erika saying she just didn't feel like she could trust Danielle anymore, and Danielle yelling at her for putting her up (which she officially hasn't done yet) Danielle starts crying, says I'm drunk I really don't care. Erika leaves to go find someone, she is upset. Gets Will up, I think she might have tried Mike, and her and Will go up to HOH. She's upset telling him that she can't put up Danielle, that Danielle is down there crying and feeling betrayed. Will tells her you have to do what you have to do to win this game. You made a smart decision in wanting to put up Danielle, don't let her get to you. Meanwhile Danielle continued her rant to George, and then went to take a shower. Apparently after her shower she decided she wanted to talk to Erika some more so she goes to HOH and starts ringing the bell...Erika doesn't answer..Will says Danielle has flipped out and is crazy. Danielle holds the buzzer down, yelling for Erika to let her in. Will and Erika hide out in the HOH bathroom...lol. Finally Danielle gives up and goes outside. She starts her rant again

about Erika and how she is NOT to be trusted, she is telling this to Janelle, who got up when Will did, and George. George and Janelle look like they wish they could escape Danielle, but sit through her tirade. Will and Erika go to bed, in same bed...Will is mad at Mike because he is having to calm Erika down and make sure things go according to plan. Janelle and George go to eat and Danielle finally goes to bed.

Re:BB7 SPOILERS

Posted by mazzy - 2006/08/28 17:54

It's amazing the sense of entitlement Danielle has. Did she forget that she was part of the LOD, and she would have voted Erika out with fake tears. Did she forget the conversation with Will about dropping Erika. It really is amazing how far she got in the game last time... was it final two? Her strategy is to let the others do the work, and she likes to give the orders, however, with Will in the game she is out of her league. He seems to be the king of manipulation, and that is what Danielle wants to do. Guess she is frustrated because no one is listening to her manipulations. She's on her own. Time to say bye bye with dignity.

Bye, bye Danielle. LOL

Major "showmancing" going on in there lastnight. They had their five star dinner, from the pics it looked gorgeous. Had champagne and wine, more with the booze from BB.

Will and Janelle retired up to the HOH room, cameras were off of them for a while, but speculation that they were making out. Then Mike went up there, seemed very upset about the two of them being alone. Alot speculate that he has the hots for Janelle, but I'm not so sure he doesn't have the hots for Will. No offense when I say that, but the guy has a serious problem....he seems awfully attached to Will.....and he isn't the aggressor with him and Erika if you know what I mean.

Danielle is still kind of thinking she is staying....Will still helping this along a great deal. She's sort of made up with Erika (for now) and seems to be coaching George on how to get further in the game if she is gone. Newsflash Danielle...he must be doing something right cuz he's still there....and you're on you're way out. LOL j/k

I cannot wait to see their faces tomorrow night when they realize another eviction!!!

Wouldn't they all just fall over if George ends up in the final two...lmao, now that would be priceless!!! I think it will end up Janelle, Mike, Will final three, and Will the winner....with Mike and Will getting rid of Janelle at final 3. It would serve everyone of them right if Will does win this again.....they KNEW...they chose to ignore.....lmao!!!!!!!:lol:

I am wondering if he will redeem himself for his manipulations by showing even a teensy bit of loyalty to Erica? What do you think?

BTW, this is the kind of show that I have vowed to not watch because it looks like junk, but I have to admit that when I stumbled on it while surfing during commercials of another show, that it held my fascination, and I have have started watching it, too. I guess you mean Mike Boogie... he's showmancing Erika. Will just slept with Erika one night to keep her away from Danielle. LOL

I would be very surprised if the romance continued after Big Brother. Forgive me, but I think Mike is a bit of a sleeze, and I just think he is playing her. I believe he said as much in the Diary Room.

Me too mazzy.....summer is my excuse for tuning into this show too!! :ohmy: ;) It's been fun to watch.

And I TOTALLY think Will should win if everyone jumps to his tune instead of taking him out as the biggest threat.....for the second time, even!!!! lol :laugh: :laugh:

Will they show the Jury house now that more of them are there?? That may be very interesting t.v. too!!!

Annnnd.....think anyone's coming back??? They certainly set it up for some more odd surprises with so much time left!!!

Re:BB7 SPOILERS

I don't think either of these "relationships" will last after the show, except for possibly being friends and hanging out. Apparently quite a few of past hg's hang out with each other.

BB is my shameful addiction. I've been hooked since day one of season one and I look forward to it every summer. I think I possibly need a 12 step program to get away from the show, but I haven't found one. Guess I'll just keep getting my "fix" until they stop airing it...lol

I don't think anyone will be returning. There are only 4 shows left. They will show the noms Sunday...then an eviction on Tuesday. Thursday will be the last eviction, and then Tuesday will be the finale.

Grizz it's funny you should say that about the jury house...about this time of year we all start saying they should have some more coverage in the jury house. Either another feed that we can watch, or maybe an extra show a week showing what's going on in there and how they are talking about the ones left. Maybe one year they will listen and do that. It gets kind of boring about this time for me anyway. Now with the "double dates" in there...I'm not too much into that.

Erika and Janelle were nominated so the only really good tv this week will see them scrambling on who to really trust. Erika told Janelle that Mike and Will were taking her (E) to the end, that didn't set too well with Janelle. Erika keeps going on about how she can't believe Janelle doesn't know Erika is alligned with CT...and I'm laughing to myself going you don't know she is either. Mike and Will have both said to Janelle that she needs to win POV so they can vote out Erika.

OH.....and Will told Erika if she wins POV leave the nominations they way they are and he will vote out Janelle. I was like OMG...surely she would not pull a Marcellus!!!!!!!!!!!!!! We'll have to wait and see...she's pretty easily swayed by Mike and Will.

Thanks for the update. Bringing Erika and Janelle to the final four is brilliant strategy. Anyway you look at it Mike and Will, OR Mike or Will will end up in final two.

Mike and Will have played these women so thoroughly that they each believe they have a CT alliance. They do... if it benefits the guys. What nerve Will has to even suggest that if Erika wins POV to leave the nominations the way they are... could she be that foolish??? LOL

Ladies of the BB house... it's time to start thinking for yourself... you go this far... now it's time to drop the "guys." LOL

Re:BB7 SPOILERS

The same way I said Will deserves to win if he does because they didn't take him out when they could have, I'll say the same about Janelle.

The girl was unstoppable in competitions in her season, and made all the way to final 3..they all knew this about her. They decide to use her, to "keep the focus off them" and it worked, however, it may have worked too well because Miss Janey could be walking away with the half mil. She'll deserve it too!

Will and Janelle's alliance has been strange, where he is the brains and she is the brawn...lol, but it's working to take them both to the final two, where they belong.

From what I have read this morning Erika tried working Janelle to keep her telling her how much she needed the money and that her boyfriend left her high and dry, but I don't think Janelle was moved. Erika seems resigned to the fact that she is leaving, her and Mike were just talking about if she could sway any of the votes in his favor if he were to be in the final two with Will or Janelle. Erika does think she has until Thursday before she leaves though...they aren't aware there is another eviction on Tuesday.

As I've said on here recently, I used to be a huge Janelle fan. When this season started, she was the one I wanted to win. But things changed and I didn't like her so much because of the way she was playing the game. BUT, it seems that she & Erica just agreed to boot Will!!!! IF..IF she really does this....I'll be the first to jump back on the Janelle bandwagon. Finally these two women are playing like AllStars, and NOT Wills hand puppets!!!!

Doesn't it make sense that she go up against one of the guys, though??? Do you think she has a better chance against the ones who manipulated the whole game or Erika?? I'm really not sure how the votes would stack up. So, I'm not really sure who Janelle really should take with her if it's up to her???

Hmmmmmmmmmmmm.....tomorrow's the eviction, eh????? Well, well, well!!!

Okaaaaaaaaaaaaaaaaay..... and puhleeeze tell me that Erika really is just joking about a baby with Mike!!! She **has** to know that she's a show-mance and not a "mate"!!!!!!

Re:BB7 SPOILERS

Posted by Hooters - 2006/09/05 05:25

Can you imagine the sequester house when Will walks in???? Janelle will have everyone's vote immediately when they find out she's the one who finally sent the master packing. NO ONE will pick Boogie or Ericka over her. Guess we'll find out tonight if she really does it.....don't be an idiot Janelle, boot his butt, he'll respect you more, and if he doesn't, well, that just proves he was truly playing you all along.....

...oh, and Ericka needs to be applauded for finally going to Janelle and spilling her guts to her about the guys. She realized she'd been played the minute Boogie told her he wouldn't be ready for kids for another 5-6 years. I'm not an Ericka fan at all, but let's face it, sending Will home first, then watching Boogie scramble around will be hilarious!!! Especially after he's practically been throwing Will under the bus to Ericka all week.

Finally, I'm actually excited about the next few shows!!! It will be amazing if this all goes down like the girls are planning....if not, then give Will the money and be done with it.

Re:BB7 SPOILERS

Posted by mazzy - 2006/09/05 06:49

WOW, I was hoping for either Janelle or Will to win, however, with Mike Boogie as HOH, and Janelle with the POV... it makes sense at this point to drop Dr. Delicious. LOL

Mike is a strong player, if Janelle or Erika are in a position to take out Mike... I think it would make sense to drop Mike. If Mike was in the position of choosing Janelle or Erika... I'm not sure who he would choose. What's your guess ladies? LOL

Re:BB7 SPOILERS

Dr. Delicious. LOL that's so funny :lol:

oh I would love to see boogie or Erica win or maybe even Will.

Re:BB7 SPOILERS

Posted by tudin_girl - 2006/09/05 18:05

It's about time these two finally compared notes. I don't know but I think Janelle is serious about getting Will out.

Erika is going to be so upset when she does finally see the show. Janelle will too, but she's always at least kept some doubt about those two...whereas Erika seem to really fall for Mike's BS.

If Janelle does kick out Will I think she is going to win if she makes it to final two with either Mike or Erika...hands down. She will need to win this HOH to ensure that, I don't think she trusts Erika completely about taking her. Erika cannot beat Janelle in final two...but how mad is she at Mike? Mad enough to lose 1st place??? Doubt it. I think if Erika wins HOH she will put her anger aside and take Mike, realizing she can probably beat him.

Re:BB7 SPOILERS

Posted by mazzy - 2006/09/05 18:34

I'm not sure Erika could beat Mike... my guess is that the people in the Jury House will not see Erika as an exceptionally strong player. I think she got as far as she did because of good luck, and good advice from CH...

=====

Re:BB7 SPOILERS

Posted by tudin_girl - 2006/09/05 19:17

You could be right about Mike beating Erika in F2, if the juror members can put aside their feelings. I got the impression that most didn't care for Mike and the ones that "respect" CT do so because of Will.

It could be where the jury says "Oh s**t I have to choose between one of these two?" LOL, guess they could flip a coin.

Re:BB7 SPOILERS

I agree... LOL

Will was the brains behind the CT operation, but Mike is smart... he has a way of expressing himself that may sway the members of the jury. I can just hear him tooting his horn... saying that he threw several competitions so as not to appear threatening...

I don't like Mike... there is just somethin sleezy about him... I don't like how he is playing Erika... I don't like the way he looks you in the eye and lies... Dr. Delicious lies in a much nicer way... LOL

LOL @ Grizz

Wow it certainly was a show wasn't it? I wasn't sure if Janelle could do it or not, and I'm glad she said that about Howie

to Will. Speaking of Howie, my gosh what on earth is his problem. I have always liked Howie...kinda irritating, but liked him. I think he is WAY OVER THE TOP carrying on like he is. I don't know how much of that is for show, because when Howie first went to sequestor I would have sworn that scene with him and Marcellus was TOTALLY scripted, but even if it is Howie should not let BB write him into looking like such an ass. IDK, maybe he's doing that all by himself...I just thought he was better natured than that. I totally understood his anger IN the house, but jeez man, you're out, it's over for you, get over it already.

Erika and Janelle have been buddy buddy all night. They are both so mad and embarrassed that they were played like that. Mike has been almost SILENT all night...lol. He's already gone to bed and the girls are still comparing stories outside.

I don't have any idea what was going through his head when he jumped out of the comp. Does he really think being that cocky is going to get him to final 2? WOW....he's controlled his anger fairly well tonight though, telling Janelle she played good and made a smart move...and it would still be him and her F2. Erika, when Janelle went to do her DR, asked Mike if they were still going to have a baby and talking about how nice a crib you could buy with half a mil...lmao. They are both just pretending...they plan on kicking him out in the worst possible place you could be THIRD...that's gotta suck and his ego will be CRUSHED. Poor baby....NOT!

BTW I thought Erika's goodbye to Will was absolutely priceless.....I lmao. I love Will....don't/didn't care for Erika, but even I had to admit that was good!

OH mazy Mike jumped off because he is SURE that whoever wins HOH will take him because they "know" they can't beat each other so they really have no choice. That's his reasoning anyway. :dry: :laugh:

Howie, Howie, Howie... shame on you. Howie totally lost it. Howie's behavior has gone too far... I was embarassed for him... to go off on CG the way he did was just not nice. Howie will go down in BB history as how NOT behave... shame on you Howie. LOL

And WHAT does Mike mean??? They'll both take him to final 2 because they can't win against each other???????????? DUHHHHH, ONE of them WILL win.....yes, Mike, it's not like the jury is gonna say, hmmm, we can't decide who to pick, so let's give the money to Mike!!!!!! :woohoo: :woohoo: :woohoo: :woohoo:

Well, I've been away from the board for a couple of weeks and my, my, my, what a turn of events!! Just in case you didn't get sick of my repeated posts about Janelle throughout this season, I'll repeat again what I said in every post since day one.

"Watch out for that Janelle. She is soooooo lucky, she can't be beat. She will take this entire game if they don't get her out when they have the chance."

So, here we are. I must say that I don't dislike Janelle as much as I did in the beginning. I guess she grew on me, but, I still don't want her to win this game. I vote for Erica or Mike, but not Janelle. Does she have the votes?

I think Mike dropped out of the HOH because he didn't want to be beat by a girl. It's funny that he and Will claim to have thrown many competitions, however, when they did really try to win, they didn't do so great. If they had won more, perhaps they would be sitting in Janelle and Erica's spots.

I would have liked for Will to play hard up to the end and take George with him to final 2, then throw the game to George. Will doesn't need the money like George does, besides it would have been a first and a shocker.

I really liked how Will handled himself in the Jury House.....he really is entertaining!!!

Re:BB7 SPOILERS

Mike's behavior is not nice... he is the type that will say one thing to your face, and his true character comes out behind your back. I believe he played a better game than Erika, but I cringe at the thought of how Erika will feel when she knows what Mike said about her on TV.

I'm a Janelle fan... so I was very sorry to see her go, however, she was a true lady in the way she handled herself.

I was surprised at James... he was not able to contain his dislike for Janelle.

The last show will be Tuesday night 9/12. And you're welcome!

Janelle was very well composed when leaving and I just felt like she wanted to cry after getting so close again. Her mom told us that she talked to her and she is doing fine though.

I agree about Will handling himself. He is a good sport! And I think he CREDITS Janelle for making a smart game move, and I think Mike BLAMES Erika for getting Will out...lol, just their different take on things. Janelle was not going to make final two no matter who she voted out unless she won HOH, she knew that.

I do think Janelle would have won the votes hands down had she made it to final two. Right now I think this game is Mike's. This is how I see the votes going down:

Marcellus: Erika
Howie: Erika
James: Mike
Danielle: Mike (if she were to vote E I would faint dead away)
George: Mike probably, but could go either way.
Will: Mike
Janelle: Mike

Now I haven't been to check it out, but someone posted that at the CBS site there is something being said about America being a jury vote in case of a tie...which there can't be a tie, unless someone had to leave sequestor. I'm too tired to go check it out, but that's what I read.

I couldn't read anymore of the feeds tonight because for some unknown reason Erika is back to being all OVER Mike again. It's made me rather sick to my stomach.

I couldn't believe what I heard and so what does he think he is cool because he deceived Erika!! ?

I thought he was funny doing his little sitcoms/whatever you may call it with Will but then seeing his nasty ways about him come out ...he openly on television told the viewers that he was using Erika and calling her names...he just thinks he's all that! Debby & Nadia You're welcome. :)

Well as you might have guessed the feeds have been disgusting and boring. I cannot believe that Erika is all over Mike. I think he actually has her convinced that he had to say all those things about her to get in good with Janelle. That woman is going to need the money she wins for some major therapy. I feel bad for her and I don't even like her. Nobody deserves to get played like that.

The jury is back tonight asking their questions. Last I checked they had been at it for an hour or so. They blocked the feeds so we didn't get to hear them, but I'm sure there will be lots of talk afterwards about the questions they were asked. Should be interesting.

I don't know who the 25k will go to, but my guess is Janelle. She is America's favorite, only second to Kaysar. She did a heckuva job winning those comps and not really having anyone after her Howie man was evicted. She never had James and only thought she did...she was a little delusional when it came to him.

I'm not sure of the date but its rumored that Janelle was asked to do the View (apparently Rosie is a big fan) and BB told them she could be on it if they also had Erika and Mike on there too...lol. Something has apparently been said to Erika and Mike because they are saying they must be loved by the public (puke) if they are going to be on the View.

Janelle and Danielle's moms have been posting alot to dispute rumors that Danielle and Will were going to be kicked out of the jury house because they "escaped" sequestor and went to a karaoke bar. Apparently the BB handlers DID take the jury members out for dinner and when the fans got to rowdy trying to talk to them they had to call it a night.

I don't know what this America's vote is for because as far as I know all the jury members are accounted for and present. Probably just a ploy to keep us interested until finale. LOL

I believe America's vote is for who will get the 25K... it does not have anything to do with the jury members. Surprise, surprise... I too think Janelle is deserving of the 25K.

I saw a nasty streak in Mike... his true colors are coming out... I am cringing for Erika... although not a fan, but shame on Mike for his behavior. As bad as Erika looks... I think Mike looks worse. His behavior is disrespectful for women in general... this behavior appears to be part of who he is... not nice... shame, shame on Mike... a woman hater if I ever saw one. Oh well... his loss.

You guys are all welcome for the updates, it's been fun talking about the show with ya and hearing your perspectives.

Lastnight after the jury left...I couldn't resist I went back, big mistake. Erika was going ON AND ON AND ON about how she was the mastermind behind all the big evictions. Basically taking credit for her and Mike's final two position. He was trying to be nice, I'll give that to him..but then I think when he couldn't take anymore he started trying to irritate her and told her about the "perfect storm" and "legion of doom" alliances. Needless to say she was not happy about finding out those. Although it didn't stop her from kissing him and talking about their baby.....puke. She also said to him at some time yesterday if he planned on proposing on the finale night like he did with Krista. His answer: "I didn't think you'd want that". I don't understand why he doesn't be honest with her now and maybe save her some humiliation when this is all over. What a guy huh?

Mazzy, yeah the America's choice is for the 25k, but if you go to the CBS site, there is a voting thing for "You the jury"...and it says incase one of the jury members is unable to fulfill their duties, America will be the deciding vote if there was a tie.

After the jury left BB gave them two bottles of wine. So for the next hour or so, well that's as long as I could take, they sat around talking about who had whose vote. Erika thinks she has Danielle's (:huh:) but then they went on to really bash Janelle and Danielle. You know I know this is a game, but this game is all but over so I don't understand why they feel the need to sit in there and talk so bad about the others. IMO that shows there true character, or lack of. Erika called Janelle "chubby" and said she (J) was jealous of her (E) and that's why she seemed so pissed when she asked her questions. When will this woman get a clue? I hope she does use some of her winnings to get some serious therapy...she's gonna need it I'm afraid.

I can't understand what's going on in her pretty little head.... going on about their baby that is so ridiculous don't you think?

I feel sorry for her yet I think she is great and enjoyed watching her play the game but mastermind behind the evictions? clearly NOT! LOL

Yep, I agree. I know it *is* a game, but you're all correct.....character is still character and those personal belief systems and values are.

I actually feel the worst for the families of those who go on reality shows and act and speak so disgustingly. Especially the moms!!!

Season finale... tonight's the night... LOL

I guess Mike is going to win, but I almost want him to lose to Erika... I would love to see his reaction if he loses. LOL :evil:

And the winner is... Mike of Chill Town... surprise, surprise. LOL

I was very pleased that Janelle won the \$25,000. I was very surprised that she was so angry at Erika... I believe Erika

would have taken Janelle to the end... I don't believe Erika threw the last challenge.

Julie, and BB really were instigating, and stirring up every hurtful, humiliating event that would embarrass the hgs... oh well... that's BB... not SO. LOL

Oh I KNOW mazzy!!!

I thought Julie was REALLY enjoying the humiliating of them. Oh well.....and that IS why you won't find me on any of those shows!!!! :woohoo: :woohoo: :woohoo:

Yeah, I think it was pretty easy to tell most of them would vote for Chill Town. But I think Mike really benefitted by being tied to Will.....I think most of them were voting for Will really!!

I didn't much care who got the \$25,000. Janelle did make it to final 3, so in that sense it was a fair vote. I am always surprised when others get so maaaaaad at the rest for lying and playing them when they were doing the same thing!!!!!!!!!!

You know, I totally had to respect Danielle for how she handled herself and how she spoke about it being a game and all of them having their game-playing strategies! She really came off looking classy, IMO.

Mike is.....well, Mike. And some of those guys are soooooooooo not cut out to go on Reality Shows!!!!!!!!!!!! :woohoo: :woohoo: :woohoo:

I sure have enjoyed watching the show with all of you!!!!!!!!!!!!

Well Mike you did win it and I have to give it to you.....I was hoping that Erika would have won. Oh well, as stated it is a game.....BUT....why Janelle!!!:angry: I voted for George to win the money. I think that out of all of the "players" he deserved it the most. Janelle is (was) a good player and won many POV's.

I wonder where Mike's restaurants are here in Atlanta? Anybody know?

Well, heres to another season of Big Brother and I guess we will all have to wait till next summer!!

Thanks for all the post---enjoyed reading and keeping up!:laugh:

I was hoping George would get the money too.

I missed a little of the show. Who voted for Erica?

Re:BB7 SPOILERS

I think Marcellas was the only one who voted for Erika.

Well another season comes to an end....can I just say Thank Goodness. Was it really getting on anyone else's nerves? I like the format of having strangers moving in together and getting to know each other.

I knew Mike was going to win, I was surprised that Erika only got 1 vote, Marcellus. I thought it was very sad for her to have to find out the way she did about Mike. But what is even sadder to me is that even after her and Janelle figured out the guys were playing them as soon as she was alone with Mike she was back for more. Game was over at that point, so she cannot chalk it up to strategy. Still I felt bad for her and hope she can put that fiasco behind her.

And talk about the pot calling the kettle.....omg, Allison of ALL people telling Erika to buy some dignity??? I nearly choked on my tea. That girl had more guys in her bed on her season than I don't know what. Good grief.

Erika said on the live feeds sometime after Janelle's eviction that she did in fact throw the last HOH to Mike. Now I don't know that she really did, but she said she did. It went right along with her thinking she was the mastermind behind the whole season though...so take it with a grain of salt.

I am certainly glad this season is over, at least I'll get most of my life back, and I am looking forward to next summer and glad they are going back to the way it should be.

I don't know where Mike's restraunts are but it was said that he named them all on the early show interview.

I enjoyed this BB season... I think it was the combination of Chill Town, the mix of hgs, and our very own BB7 Spoilers.

Re Erika throwing the last HOH to Mike... I wonder how Janelle found out... she seemed convinced that Erika did in fact throw the HOH.

Re Chill Town... I found Will charming, but I hated Mike's bad behavior. As a team they were entertaining, but Will was

smart enough to not cross the line that Mike did.

Did anyone catch Mike, Erica and Janelle on The View this week? Wow, Rosie verbally insulted Mike repeatedly. It was actually too much. I think she could have said one-third of what she said and that would have gotten her point across. Rosie loved Janelle and Erica. She was outraged that Mike won. She basically called him a dog to his face.

Mike said that he co-owned resturants in Atlanta, GA with Ashton Cutcher (sp?).

I saw it and thought it was too funny. Rosie does go a bit over board when it comes to things like this.

I wouldn't mind seeing another BB but I wish they would make some major changes to the show. I think it may be getting a bit old. I have noticed that some shows I used to like a lot, have become boring to me now days. This applies to people I really like such as Ellen, Dr. Phil, and a few others. I used to like these shows but they have just worn themself out IMO.
