## Cassie.. (article made me think of her!)

I happened on this article where it was talking about birth parents and associated problems in the past.

Many, many points here that caused me to think of Cassie..

[http://news.yahoo.com/s/ap/20061119/ap\\_on\\_re\\_us/adoption\\_birthmothers](http://news.yahoo.com/s/ap/20061119/ap_on_re_us/adoption_birthmothers)

Now of course I know there are some who were not Cassie supporters.. But hopefully this info will highlight problems that might have been similar to what Cassie endured.

I always understood her situation.. as a mom..

I hope she and Dustin have stayed connected and that they are doing well.

Hope she is doing good and that she has given up being a manipulator.
