## SO3 updates from net sources

Jodi - given up PR business venture for now.. Still designing jewelry and enjoying learning new techniques.. Still dating!

Christy - A reflective type post... Says she is cleaning out her closets...(figuratively and literally) including a wedding gown that she has on ebay. I went to the ebay link and it looked like it was a 2006 dress... When she mentioned it, I thought it might have been her wedding dress from her failed marriage.. Maybe she had thought she and Jason would get married..(the fella she was with when she came into the SO house).

There is also a newer post preceding this one...with more introspection. Titled 'My Secret' . More or less an admission that she still struggles.. As more than likely we all do! But she's able to get through the struggles more quickly.

Christina - Appears to be married now. Both her and her obvious beau (James).. are living in Ohio and both stating their status as being married.

Sommer - Looks like she is in her first real relationship!

Yeah, KPW, thanks for the links! Christina has some very nice things to say about her SO sisters and some nice photos of them together as well. I wonder when they were taken.

It seems a large contrast to her not mentioning SO on the talk show she did. Maybe she was as one poster stated, forbidden to mention the show.

It sounds as if she is very positive and that she credits SO with much of that.

I think they may have been taken in Feb. I think they all went to Ohio for a reality diabetes event. I remember seeing some of these pictures before.. I'm pretty sure it is also elsewhere on this site..but I'll double check...

I was wrong.. It was April.. I think they went to a baseball game..

But it was during the weekend of a Reality for Diabetes event..

If you go to the main page.. <http://www.reality4diabetes.com> you will see there is an event coming up this weekend. Looks like Susan from SO1 and who I presume is Christina (with the last name 'Bounds') from SO3 are both slated to be there. Since Christina is in Ohio anyway.. and think enjoys the limelight.. (she seems to be interested in acting and modeling) I'm not surprised that she is taking part in it..

KPW... Thanks for the links.

Did I read that Jill is now living in Atlanta? Does anyone know if she is currently working?
