
Antonia in trouble again?

Posted by whomeinarizona - 2007/01/10 19:17

Hello to all you die hard SO fans.

Was cruising through the cable channells the other day and thought I saw a familiar face. Sure enough it was Antonia, and it was a show about Debt. And yes, Antonia is at her old habits, charge, charge, charge and living a champaign life on a beer budget.

I used to come on here as Gramary, but forgot my user name and password.
