I saw yesterday that the show was cancelled after 4 shows.. I don't think it could compete against American Idol.

I only caught part of 1 show.. (I might have called the show by the wrong name.. but it's the one with Jack Osborne, Erik Estrada and LaToya Jackson working alongside an Ohio police department)

It was mentioned that they'll be showing the 4 episodes and at least an additional episode on VH1.. That might be a better venue for it anyway...

Oh well.. another new slew of shows seems to be popping up. Or at least advertising for them..
