Hi all, this is Rain from SO1. I'm asking for the support of everyone here. On Monday March 12th I need for all of you to vote for me at www.power957.com . by voting for me I would win a 12 week position of a DJ paying \$5000! You can vote as much or as little as you like. Yes it is really me and you will see if you go and vote for me.

Thanks to all who make the choice to help.

Rain
