## America\'s Got Talent (season 2)

FYI - They announced in the last day or 2 that Sharon Osbourne will replace Brandy on the panel of judges. Brandy is probably still dealing with her personal problems related to the fatal car accident she was involved with in Dec. I think she was found at fault..

Also, Jerry Springer is going to host the show instead of Regis Philbin. (Not sure how well that's going to go...)

I think it sounds pretty good. Sharon has been in the music business for a long time. Supposedly she knows a lot about the business because she brought her husband back from nothing. I think she's kinda funny too.

I really am looking forward to it! I enjoyed Jerry on Dancing with the Stars and it'll be interesting to watch him since he's stated that the outrageous stuff his only a persona for his talk show. I think it will be interesting as well to watch Sharon. As long as Ozzy isn't around.....I have NEVER liked him!!!

I guess Ozzy is definitely an acquired taste. I can take him in small doses. I've never been a fan of his, but, I do think he has changed since he got sober.
