I caught the Pilot Episode of this New Show... CANE... on last night...

I definitely WANTED to know how to Salsa! but it was Cool watching them party it up... a Cuban atmosphere... as that is where Jimmy & the family on the show are from.

Don't usually watch the week to week shows like this... but LIKING THIS ONE! :whistle: :silly: :whistle:

I think Jimmy is actually Puerto Rican, although the character he plays is a Cuban.

Definitely a good show...some very good looking men on there.

Alex is very good at being a good(good guy who is doing bad things for good reasons) bad guy too. I'm afraid he's spiraling out of control way too fast.

Does anyone else get that youngest brother and the son mixed up? LOL

I'm not sure what is happening to me, but I just can't seem to catch this show. I may have to wait and catch in in reruns.
